

TOWN OF FORT QU'APPELLE

DEVELOPMENT PERMIT APPLICATION

The Zoning Bylaw provides for permitted and discretionary forms of development in each zoning district. Every person is required to obtain a development permit before commencing any construction or use of land except as provided within the bylaw.

The following forms of development do not require a development permit:

1) Residential Zoning Districts

- a. Buildings and structures under 9.0 m² (97 ft²) in area, which are accessory to a principal, residential use except where such dwelling is a discretionary use;
- b. The erection of any television antennae or radio antennae;
- c. The erection of any fence, wall, gate under 1.8 meters (6 ft) in height;
- d. Relocation of any residential or accessory building provided development standards are still met on the site.

2) Commercial Zoning Districts

- a. The erection of any fence, wall, gate under 1.8 meters (6 ft) in height;
- b. A temporary building, the sole purpose of which is incidental to the erection or alteration of a building for which a building permit has been granted.

3) Official Uses

- a. Uses and buildings undertaken, erected, or operated by the Town of Fort Qu'Appelle.

4) Internal Alterations

a. Residential Buildings

- i. Internal alterations to a residential building, provided that such alterations do not result in a change of use or an increase in the number of dwelling units within the building or on the site.

b. All Other Buildings

- i. Internal alterations and maintenance to other buildings, including mechanical or electrical work, provided that the use, or intensity of use of the building, does not change.

5) Landscaping

- a. Landscaped areas, driveways and parking lots, provided the natural or designed drainage pattern of the site and adjacent sites are not adversely impacted.

A building permit is separate from a development permit. A development permit acknowledges the use of land and buildings and its compliance with the Official Community Plan and Zoning Bylaw. A building permit refers to building construction and compliance with the National Building Code of Canada and is governed by the Town of Fort Qu'Appelle Building Bylaw.

Application Requirements

The following is required in order to make an application for a development permit:

- 1) A completed application form (attached);
- 2) Submission of any application appendices if necessary;
- 3) Receipt of full payment of the applicable application fee;
- 4) A scaled site plan drawing showing, in detail, the site proposed for development including the following at a minimum:
 - a. North arrow;
 - b. Boundaries of the parcel including dimensions;
 - c. Location and dimensions of existing buildings and structures, and proposed buildings and structures and distances from the four property boundaries;
 - d. Location of all existing and proposed utilities;
 - e. Location of all existing and proposed driveways; and,
 - f. Location of all distinguishing physical features located on or adjacent to the property including but not limited to sloughs, streams, culverts, drainage ways, wetlands, slopes, bluffs, etc.
- 5) If different from the applicant, the owner of the property must also sign the application forms or provide a letter of consent for the application to be processed.

Decision Time Frame

The timing associated with the provision of a development permit will be based upon the completeness and quality of information provided on the application. Generally, for a permitted use where new construction is not being proposed, a development permit may be issued within five (5) days of receiving a complete application. Where new construction is being proposed, a minimum of fifteen (15) business days is required to review, process and issue a permit.

**Note: The information provided within this application is not intended to remove or replace established bylaws and should not be given any legal status. The original bylaws, policies, and regulations should be consulted for official purposes.*
